

SILVER BOUND BONUS PROGRAM

Team up for success with our Silver Bound bonus program! Created for members eager to chase their dreams, this incredible opportunity will help you build your team on a sustainable foundation and then reward you with a bonus! Silver Bound is designed to boost your business goals and fast-track your way to Silver.

What is Silver Bound?

Silver Bound is a simple, achievable program that gives members a road map for ranking up to Silver—plus the opportunity to earn cash incentives. Enjoy Essential Rewards points or cash bonuses when you meet the time, leg, and Organization Group Volume (OGV) requirements at any of the featured ranks. The longer you maintain your rank, the more we'll reward your efforts!

Who can participate in Silver Bound?

This program was created for new members, Stars, Senior Stars, and Executives. Existing members may be eligible to participate. Rules and conditions will apply.

How has Silver Bound changed?

Each of the four bonus tracks now include an element of maintenance. To receive the full bonus payout for each bonus track, the bonus requirements must be achieved each month of the corresponding maintenance window. The longer you maintain, the more you earn and the stronger your organization will be.
