

Young Living Suggested Product Claims

We know you love sharing Young Living with family, friends, and acquaintances. But what can...and can't...you say about our products? We want to give you every possible resources to share the amazing benefits of our products and grow your business. The following bullet points are suggested product claims and tips that you may use for some of our best...loved essential oils and blends. The text underneath the bullet points restates the most important information in paragraph format.

Eucalyptus Radiata

Aromatic/Topical

- Has a mildly pungent and sweet, fruity aroma
- Useful for massage after activity
- Diffuse for a stimulating and rejuvenating environment
- Use in your favorite household cleaners
- Includes the naturally occurring constituents 1.8 cineole and eucalyptol
- An important ingredient in Breathe Again Roll-On, Thieves, R.C. Inner Defense, and Ortho Ease Massage Oil

Eucalyptus Radiata essential oil is loved for its fresh, pungent, and fruity aroma; and it is often used in massage after activity. Diffuse Eucalyptus Radiata to promote a stimulating and rejuvenating environment or add it to your favorite household cleaners for a burst of extra freshness.

Find Eucalyptus Radiata essential oil in Breathe Again, Thieves, R.C., Inner Defense, and Ortho Ease Massage Oil.

Frankincense

Aromatic/Topical

- Diffuse during meditation for grounding and purpose
- Use for massage after activity
- May help smooth the appearance of healthy-looking skin
- Includes the naturally occurring constituent alpha-pinene
- Key ingredient in many products, including Boswellia Wrinkle Cream, Brain Power, Awaken, Highest Potential, and Forgiveness

Diffuse it during meditation to help with grounding and purpose. Frankincense can also be useful for massage after activity or in cosmetic applications to smooth the appearance of healthy-looking skin, which makes it an important ingredient in our Boswellia Wrinkle Cream.

Frankincense includes the naturally occurring constituent alpha-pinene and is a key ingredient in essential oil blends such as Brain Power, Awaken, Highest Potential, and Forgiveness.

Fennel

Dietary

- In some cultures, fennel seeds are chewed after mealtime.
- May help maintain wellness
- May be a flavorful addition to savory recipes
- Includes the naturally occurring constituents trans-anethole and fenchone
- Included in DiGize, JuvFlex, Detoxzyme, Digest & Cleanse, and Essentialzymes-4

With the distinctive black licorice-like flavor of the fennel seeds chewed in some cultures after mealtime, Fennel essential oil can be a great addition to savory recipes.

Fennel may be useful in maintaining wellness and is included in Young Living's products such as DiGize, JuvaFlex, Detoxzyme, Digest & Cleanse, and Essentialzyme-4.

Grapefruit

Dietary

- Includes the naturally occurring constituent limonene
- An important ingredient in Slique Essence, and Power Meal
- Enhances the flavor of foods and water

Helichrysum

Aromatic/topical
